DRAMA CLUB...

A STAR IS BORN

The 78-79 Drama Club and Thespians (pictured here as puppets) have been enthusiastically busy this year. During the Renaissance Week of Homecoming, many members dressed up as Fools and Clowns." Drama Club also planned and participated in several field trips. The Tony award winning "Annie" and the famous "King and I" were two of the theater smaskes attended Also, La Canada entered and competed in the Long Beach State Drama Festival and the Theater Workshop at California State University Fullerton, all held in March of 1979

Storybook Theater, sponsored by Drama Club had comic strip characters as its theme. Students played their versions of Crock Super Chicken, Peanuts, Popeye, Dick Tracy and Mary Worth and were also joined by members of the LCHS Dance Production class in their endeavor. The players performed to over whelmingly supportive friends and general public. Also, this Christmas Vacation, several Drama Club and Thespian members took part in the annual Thespian International Tour to New York

Last, but not least, through the ideas of Club President Tony Kienitz, the "Every Other Thursday Theater" came about. This program gave LCHS students the opportunity to audition and perform songs, dramatic/comedic scenes, jokes, dances, for his fellow students. Although sporadically performed, "Thursday Theater" did enjoy a good degree of success and was greated enthusiastically by the students
